

Cabonne Council Register of Government Contracts July 1 2019 to June 30 2020

The GIPA Act commenced on 1 July 2010. Cabonne Council will, when it engages in any contracts to the value of more than \$150,000 with private sector bodies, publish these in the following Register of Government Contracts. Contracts will be included in the Register for at least 30 days or until the Contract expires.

Class 1 Contracts - contracts that have, or are likely to have, a value of \$150,000

Class 2 Contracts - Class 2 contracts are Class 1 contracts where:

- there has not been a public tender process and the terms and conditions of the contract have been negotiated directly with the contractor, or
- the contract was the subject of a tender (whether public or not) but the terms and conditions have been substantially negotiated with the contractor
- the obligations of one or more parties to maintain or operate infrastructure or assets could continue for 10 years or more, and the contract involves a privately financed project (as defined by Treasury) or the exchange of significant assets.

Class 3 Contracts - If a class 2 contract has a value, or likely value of more than \$5 million, it becomes a class 3 contract. Council will also publish a copy of class 3 contracts on its website.

Register of Government Contracts as at 30 June 2020
