

WORKPLACE HEALTH & SAFETY POLICY STATEMENT

POLICY & COMMITMENT

Cabonne Council acknowledges its responsibility to provide a workplace that is safe for its workers and those directly affected by its undertakings and manage risks to health and safety within the workplace in accordance with the requirements of the WHS Act 2011 and WHS Regulation 2017, and other relevant legal and regulatory requirements. Cabonne Council will work toward establishing, implement and maintain a Work Health and Safety Management System (WHSMS) that conforms with ISO45001:2018. The Work Health and Safety Management System forms the foundation of a proactive, systematic and coordinated approach to the management of health and safety risks arising out of the business' undertakings that embraces the risk management principles prescribed in AS/NZS 31000:2009 and provides for fair and effective workplace consultation, cooperation and issue resolution in relation to work health and safety. Everyone within the workplace has a work health and safety responsibility. Cabonne Council's Work Health and Safety Management System will aim to provide a framework to support all persons with a responsibility in upholding that responsibility daily.

AIMS

- Provide and maintain safe plant and structures
- Provide and maintain safe systems of work
- Safe use, handling and storage of substances, structures and plant
- Provide and maintain adequate facilities for the welfare of workers
- Provide adequate information, training, supervision for its workers
- Provide health monitoring for its workers
- Provide and maintain a work environment without risk to health and safety

WHS OBJECTIVES

- Complying with WHS obligations as per relevant legislation
