5 Reason

Cabonne Council has many small rural towns which make up the Local Government Area. In 1995 Cabonne Council entered into a ten year contract with JR Richards to provide a waste and recycling collection service to the townships within the Local Government Area.

This policy indicates Council's commitment towards the provision of a waste and recycling service to the townships and nominated estates within the Local Government Area.

6 Scope

This policy at all times encompasses:

- All towns in the Cabonne Local Government Area;
- The Weemilah, Windera and Strathnook Estates;
- Staff employed for the management and administration of the provision of a waste and recycling service in the Local Government Area;
- Cabonne residents and ratepayers who receive a waste and recycling collection service.

7 Associated Legislation

Waste Avoidance and Resource Recovery Act 2001

POEO Act 1997

8 Definitions

N/A

9 Responsibilities

9.1 General Manager

The General Manager is responsible for the overall control and implementation of the policy.

9.2 Directors and Managers

Directors and Managers are responsible for the control of the policy and procedures within their area of responsibility.

11 Policy Statement

That:

1. The villages of Molong, Cumnock, Yeoval, Manildra, Cudal, Eugowra, and Canowindra receive a waste and recycling collection service.
2. The Rural 1(c) zoned areas of Weemilah Estate, Winderah Estate and Strathnook Lakes Estate have been declared as Waste Collection Districts and shall receive a waste and recycling collection service.
3. Council not make a formal declaration of a waste collection district in the Moorbel 1(c) zone, however still provide a waste and recycling collection service to the area via a user pay service through Council and its contractor and that those ratepayers who wish to utilise the service make contact with Council.
4. Council will consider provision of a waste and recycling collection service to ratepayers outside of the above mentioned Waste Collection Districts via a user pay service through Council and its contractor. Such services must be economically viable to enable implementation of any additional service.
