## AN ACCESS CONSTRUCTION CERTIFICATE IS ISSUED SUBJECT TO THE FOLLOWING CONDITIONS

1. An access Construction Certificate must be obtained **prior to** commencement of construction of any access or accesses to the property from the adjoining road.
2. A joint inspection with Council's Development Engineer is to be held prior to the issue of an Access Construction Certificate.
3. Council's Development Engineer will contact the applicant once application is receipted to arrange a suitable time for a joint inspection.
4. All work shall be carried out with a minimum of obstruction to pedestrian and/or vehicular traffic.
5. Before commencing work, contact should be made with authorities responsible for public utility services to confirm the precise locations of all services by contacting Dial Before You Dig on 1100.
6. The applicant shall be responsible for any damage to public utilities, private services or other damage resulting from the proposed work.
7. The work must be carried out in accordance with all relevant safety regulations and Acts.

**Privacy Information:** The details provided in this form may contain information that is personal information, which identifies you etc., for the purposes of the Privacy and Personal Information Protection Act. The purpose of collecting this information is to enable the Council to consider matters under related legislation, issue related documentation where required and other associated matters as provided by law and will be utilised by Council officers in assessing the proposal and other associated activities. The information may also be made available to other persons where such access is in accordance with the relevant regulations and requirements in this regard. The submission of personal information in this case is required by law and if not provided (wholly or in part) may affect or prevent consideration of the matter by Council. The information will ultimately be stored in Council's records system.
