

# WASTE COLLECTION CALENDAR 2023

Let's **RETHINK REDUCE REUSE RECYCLE**

Cabonne Council's Waste Services are helping to save valuable resources from landfill. The **garbage bin with the red lid will continue to be collected WEEKLY**. The **recycling bin with the yellow lid will continue to be collected FORTNIGHTLY** and your collection week will stay the same. Your collection day will not change. By utilising the recycling and garbage services correctly you are reducing the amount of garbage going to landfill, saving landfill space as well as reducing the production of greenhouse gases that are produced when garbage breaks down in landfill. When you recycle correctly these materials are then used to produce new items which save these valuable resources from being buried in landfill and lost forever.
