# *Welcome to...*

**Cabonne Country, Australia's Food Basket** is a rich rural shire in Central NSW, covering the Villages of Borenore, Canowindra, Cargo, Cudal, Cumnock, Eugowra, Manildra, Molong, Mullion Creek and Yeoval. Situated a comfortable 3.5 hour drive from Sydney and Canberra, the villages of Cabonne offer a diverse range of wonderful attractions, some of the best **food** and **wine** in regional Australia, a rich **history** and **heritage** and a clean crisp environment where you can unwind, relax and refresh.

Each of the villages in Cabonne has their own unique history and Australian charm, which draws many people to their pleasant and relaxing country lifestyle. The Villages of Cabonne is the place to experience real "Aussie bush" friendliness. The area is home to the site of Australia's first gold rush and is famous for ballooning, food and wine, agriculture and mining.

The food and wine you will find in Cabonne Country reflects Cabonne's sunny days, robust soils and the many hands that join to create the finished product. Why not tuck into freshly baked bread, try prize-winning local sausages or pick a selection of locally produced products such as honey, olive oil or lavender hand cream to take home and savour. Roll along a country lane as the hills catch the last rays of a golden sunset. And at night, behold the glory of the everlasting stars.

**Borenore**, located just 14km out of Orange, is a small rural community surrounded by orchards, vineyards and agriculture farming. Borenore is home to the **Australian National Field Days**, which attracts over 50,000 people throughout the 3 days in October each year.

**Borenore Caves Reserve**, approximately 15 mins out of Orange on the Escort Way, is an ideal place to enjoy a picnic lunch. Wander over the well-developed walking tracks and explore the many wonders, including the Tunnel Cave, Arch Cave and the unique landscape that develops when water interacts with the soluble rock, limestone. Tables and wood fired barbeques are provided at the picnic area of the reserve.

Surrounding Borenore why not take the time to explore some of the tastes of the region. There are numerous **wineries** all producing wine of unique and distinct character, a **fig orchard** and **berry farm** where you can pick your own berries, farm gates, three cafes, two restaurants, a function centre and a general store which boasts one of the largest collections of **local wine** in the region.

**Cargo**, situated 35km south west of Orange is a small country hamlet with a population of approximately 250.

The town has a unique history as gold mining in the late 1860's led to the establishment of the township and in 1869 Cargo was proclaimed a goldfield. During the period of 1869-1899 the town swelled to a population of around 7,000 and boasted three hotels, a bank, several business houses, three churches, two schools, a flour mill, community hall, butter factory, gold crushing plant, a racecourse and sporting grounds for tennis, cricket and football.

The village today offers visitors and residents a chance to relax with a slower pace of life, whilst still enjoying the services of a general store/post office, primary school, church and hotel. The facilities of nearby Orange are but a short drive away.

**Canowindra** is located at the southern end of the Cabonne Shire, 33km from Cowra and 63kms from Orange. Canowindra is well known for its warm climate wines with a number of boutique cellar doors, where you can meet the wine maker.

Canowindra's main street presents a streetscape of outstanding historical significance. The street is a very unusual shape, following the crooked route of the old bullock track and is unaffected by time complete with late nineteenth century architecture. Canowindra is also world famous for its 360 million year old fossil find, now housed in the **Age of Fishes Museum**. Here the original slabs, audio and visual displays make for an interactive tour for the whole family.

Canowindra is home to a flourishing art scene, hosting a wide collection of art galleries showing works by local and visiting painters, potters and artisans. The main street boasts boutique retail stores and assorted shops that offer the friendly country service for which the Villages of Cabonne Country are known. There are also many quaint country pubs, clubs, restaurants and cafes to appease your appetite.

Accommodation options are varied carrying the charm and friendliness of the town. Options range from lavish rooms on a vineyard, luxury stone cottages with breathtaking views overlooking the magnificent Lachlan valley and boutique B&Bs to a fully serviced caravan park, well appointed motel and a heritage listed guesthouse located in Canowindra's historic main street.

Don't be surprised to come across some real secrets whilst exploring the many vineyards

located around Canowindra. There are over a dozen vineyards and wineries offering tastings of exceptional award winning wines, presented with pride and passion.

Canowindra hosts many events celebrating local food and wine. Art exhibitions are held on a regular basis at any one of the town's art galleries.

Canowindra has various educational facilities including a high school, a primary school and a Catholic primary school as well as a preschool and playgroup. The village is home to 2 doctors, a visiting veterinary clinic and ambulance and fire services. Canowindra caters for the elderly with the Moyne Eventide Home.

**Cudal**, a friendly country town 35km west of Orange, is surrounded by prime **agricultural** land offering spectacular scenery and is a sight to behold during cropping season when **Canola** spreads a yellow glow across the village.

The wide main street compliments the **relaxed lifestyle** Cudal offers. Cudal has one primary school and bus services to Orange, Canowindra and Molong for high school students. The village boasts a new hospital, swimming pool and sports oval.

The many proactive community groups such as the Progress Association, Lions and Pony Club ensures the town is always looking its best, managing many beautification projects around the village.

Cudal's dining experience includes cafes and pubs & clubs and there is even a small motel and caravan park to make your base while exploring the surrounding vineyards and attractions.

**Cumnock** is a tranquil rural village located about 4 hours west of Sydney. Cumnock is centrally located between the wineries surrounding Orange, the Dubbo Zoo, Parkes Radio Telescope and the Wellington Caves, so “call in for a cuppa” or lunch from the Old Court House Café and enjoy the historical ambience of one of the smallest towns in the shire.

Cumnock has a wide main street flanked by vibrantly painted telegraph poles, a large shady park with a BBQ and picnic tables, plus a children’s playground with a super-heroes mural. Cumnock is a keen sporting community where Wallaby legends like John White, Tim Gavin and Ross Reynolds were born.

Cumnock hosts many sporting facilities including a public swimming pool, tennis courts, bowling green, golf course, squash court, bike tracks, cricket and football oval, showground and pony club. The Playgroup, preschool and Public School are well attended. Cumnock is reliant on the rural sector and much of the farming area is used for wool production, sheep and cattle, and grain growing. Small businesses include a well-stocked general store, cafe, bowling club, hotel, rural supplies and stock transportation. Cumnock has a dedicated and very strong community base, many volunteers work together to keep this rural town alive.

**Eugowra** is located in the rich Lachlan River basin, between Orange and Forbes. The short drive from Canowindra to Eugowra is spectacular with hills and valleys, bush and farmland and old and new buildings to discover. The town is unique due to the imposing large granite boulders which lie between the houses and gardens. Granite used for the construction of the new Parliament House came from the hills around Eugowra, supplied by the local Granite Mill.

Eugowra is known for its history of bushrangers and explorers. The only gold escort robbery in New South Wales took place at Escort Rock, 3km east of Eugowra. In 1862 Frank Gardiner's bushranging gang, including the infamous Ben Hall, made off with the loot including 2,917 oz's of gold and 3,700 pounds of sterling cash, but a portion of the total value of 14,000 pounds sterling was never recovered!

There are many experiences to be had in and around Eugowra. Why not throw a line into the Lachlan River, explore Nangar National Park, visit Escort Rock or simply stroll through the main street and explore the gifts and craft stores. Gain an insight into the region's history and attractions by visiting the Eugowra Museum considered one of the best Historical Museums in the Central West.

**Manildra** lies on the banks of Mandagery Creek, half way between Orange and Parkes and is home to Manildra Flour Mill, one of the largest flour mills in the southern hemisphere. The mill runs 24 hours a day and continues to expand.

Manildra is also home to Australia's oldest operating picture theatre, The Amusu, pronounced "amuse-you". Allan Tom started the Amusu Theatre in 1923 as a travelling picture show, which settled in its current position in 1936. The theatre still offers visitors and residents the opportunity to view new release films surrounded by the old world charm of yesteryear.

Manildra hosts a friendly pub and several takeaway stores. Order some takeaway and enjoy a picnic in one of the two lovely parks or try some fishing in Boree or Mandagery Creeks.

Take a trip back into the past when you visit the olde worlde charm of **Molong** with its many poplar trees and rolling countryside. Only 32km from Orange, the main street, being early Austen-European, is classified by the National Trust and you will discover many other beautiful historic buildings scattered throughout the town.

Another point of history and interest is the grave of Aboriginal guide to Thomas Mitchell, **Yuranigh**. Described by Mitchell as “guide, companion and friend”, Yuranigh accompanied him on his expedition to Queensland in 1845. When Mitchell heard of Yuranigh’s death he paid for the headstone on his grave, which you will find a short distance from town. Yuranigh was buried according to custom with carved trees at each corner of his grave, indicating he was a man of special honour.

Molong is an outstanding **farming district**, producing wheat, sheep, wool, cattle, fruit and wine. There are several art galleries, cafes and restaurants to cater for the visitor and many charming B&Bs to base yourself to explore the food and wine of Cabonne Country. Surrounding Molong you will find **boutique cellar doors** where you can relax and enjoy a ‘good drop’, the vineyard views and rustic winery ambience.

With a hospital, three doctors, a dentist, veterinary clinic, ambulance and fire station, Molong offers all services in a relaxed village setting. Local educational facilities include Central School catering from Kindergarten to Year 12, a Catholic Primary School, a playgroup

and a preschool. Molong caters for the aged and specialised facilities are easily accessed from nearby Orange.

Molong hosts many unique events such as the Molong Music and Arts Festival, NSW Sheep Dog Trials and one of the largest NSW Motorcycle Safety Rides.

**Mullion Creek** is a short drive from Orange as you head towards the Burrendong Dam. The welcoming village brims with community pride with residents working together on projects such as beautifying the local park and church area, community hall and local school grounds.

Ophir located near Mullion Creek is the scene of Australia's first payable goldfield, discovered in 1851. Set amongst the rugged hills and streams, Ophir Reserve is a great place to experience fossicking, gold panning, fishing, bushwalking and has excellent picnic grounds.

Mullion Creek has a small primary school and the facilities of Orange are an easy 10 minute drive away.

**Yeoval** is situated 75km from Orange and 70km from Dubbo. Yeoval sits at the cross roads of Dubbo Wellington and Parkes, making it a convenient place to visit when exploring the region. One of Australia's storyteller and poets, A.B "Banjo" Paterson spent the first 7 years of his life on the family property 'Buckinbah' on the edge of town and it was here he met many of the bush characters and experiences that he wrote about later in life.

Soak up the atmosphere and become a part of Banjo Country by enjoying a cup of tea in the Banjo Paterson Bush Park and admire the works of art in the park or you may like to take a walk along the Poet's Walk and admire the wonderful carved slate seats and clay tile walls. Yeoval is home to the Mulga Bill Festival, a 3 day event that celebrates the life of Banjo Paterson in Yeoval and includes a bike ride from Cumnock to Yeoval.

Yeoval is on the doorstep of the Goobang National Park, with picnic and camping areas and many walking trails. The nearly developed bike track gives the visitor the opportunity to become part of the countryside and enjoy the quite of a country lane and the beauty of the wildlife.

Yeoval has a Central School and Catholic Primary school attracting students from Cumnock and surrounding areas and also has a multipurpose health centre housing a community hospital, medical services and aged hostel.

**Cabonne Country** is the ideal place to live the dream, work the hours you choose and play in an environment that is safe, clean and offers activities that you only experience on holiday.

There are numerous blocks of land and housing available throughout the **Villages of Cabonne Country**. The area provides the opportunity to own your own piece of paradise, available for only a fraction of the amount you would pay on the east coast of Australia.

There are many employment prospects in Cabonne Country and the nearby regional centres of Orange, Bathurst, Cowra, Parkes and Forbes. Regional towns are suffering skills shortages and for health professionals and skilled trades people the employment opportunities are endless.

Ever dreamed of running your own business? Many of the villages have buildings in the main street ready to set up shop, be it retail or service. This could be your opportunity to build a career or business in a place where you can make a real difference to the community.

The residents of Cabonne Country welcome you to visit, explore the area and experience our friendliness first hand. We hope that you may consider escaping the financial burden, rushed lifestyle and soiled city environment in exchange for the charm and lifestyle our villages have to offer.
