DEPARTMENT LEADER - TRANSPORT INFRASTRUCTURE REPORT

Regional Emergency Road Repairs Fund (RERRF) Drainage Works

Council's planned RERRF this year have been allocated to the following projects (work involves table drainage clearing and culvert clearing):

- Eulimore Road Completed
- Moorbel Drive Completed
- Mousehole Lane scheduled for late April
- Nanami Lane Completed
- Settlement Bridge Road completed
- Wenz Lane Completed
- Offner Road Completed
- Byng Road Completed
- Dry Creek Road Completed
- Emu Swamp Road Completed
- Fanning Road Completed
- Favell Road Completed
- Henry Lane Completed
- Icely Road Completed
- White Rock Road Completed
- Kangaroobie Road Completed
- Kent Road Completed
- Clergate Road Completed
- Forest Reefs Road Completed
- Belubula Way Further works on causeways planned
- Davy's Plains Road completed

Other works under the RERRF funding include:

• The reconstruction of Belubula Way between Valetta Lane to just short of the Belubula River has been completed.

Sealing of Belubula Way

Page 5

• Casuarina Drive –Drainage work has been completed. Road pavement rehabilitation works commenced first week April.

Roads to Recovery (R2R) Program

Council's 2024/25 R2R consists of the following projects involving gravel road re-sheeting.

- Red Lane completed
- Wicks Street completed
- Rice Street completed
- Mousehole Lane completed
- Quarry Road completed
- Nanami Lane not commenced
- Newcombe Street completed
- Cahill Road completed
- Bowens Lane completed
- Coates Creek Road completed
- Long Point Road completed
- Lookout Road completed
- Cowriga Road completed
- Burgoon Lane completed
- Greenbah Creek Road completed
- Boomey Lane completed
- Strathmore Lane –Completed
- Cumnock Cemetery Road completed
- Belmore Road completed.

Obley Road is another project to be funded from the Roads to Recovery Funds. This project involves pavement rehabilitation works on approximately 2.4 km length and drainage. Works are currently underway with expectations the project will be completed by mid-June 2025.

State Roads

Heavy patching works have been completed on The Escort Way between the Orange boundary and the monument, Henry Parks Way, Canowindra Road and in Molong a section of Wellington Street between Edward Street and George Street and on the Mitchell Highway near Gidley Street.

Heavy patching works on Packham Drive have been Completed on approved patches between Molong and Manildra as well as drainage and vegetation removal. Additional work to rehabilitate and widen a 250m section near a recent crash site has been approved by TfNSW and will commence later in April.

Page 6

Approval for failed areas in this year's program were reduced from previous years by Transport for NSW (TfNSW) with all approved works now completed. Approval for additional works could be forthcoming pending available funds being allocated by TfNSW

Resealing on various sections of The Escort Way, Canowindra- Cudal Road has been Completed

Bridge Replacements

All three (3) bridges previously noted in reports have now been completed and are open to traffic. These are:

• Canomodine Lane Bridge

Completed work at Canomodine Lane Bridge

• Nyrang Creek Bridge

Completed work at Nyrang Creek Bridge

• Washpen Creek Bridge

THIS IS PAGE NO 6 OF THE GENERAL MANAGER'S REPORT ON MATTERS FOR DETERMINATION TO THE INFRASTRUCTURE (TRANSPORT) COMMITTEE OF CABONNE COUNCIL TO BE HELD ON 8 APRIL, 2025

Completed Work at Washpen Creek Bridge

Three other projects which were subject to funding approvals under the Natural Disaster funding have now been approved. These are:

- Pinecliffe Road causeway
- Coates Creek Bridge
- Norah Creek Road culvert

Council advertised for these repair works in 2024, with a contractor appointed to undertake such. Negotiations with the contractor are currently underway with scheduling the commencement of these works in April 2025 subject to acceptance of designs.

Mandagery Creek Culverts

Work on the new culvert has seen the box culverts installed and road pavement backfilled and compacted. This has now been bitumen sealed and open to traffic with temporary barriers in place. Installation of guard rail is pending

Page 7

Page 8

Gravel Roads

Most gravel road maintenance had been completed by Christmas on roads around the LGA. With the run of wet weather during the second half of the year, numerous roads experienced deteriorating pavement conditions. Some of those roads were included in the Roads to Recovery program as noted above as being gravel resheeted.

Several roads were identified that will require additional gravel resheeting in the 2025/26 year and these have now been included for works for later in 2025

Peak Hill Road Upgrade – Roads of Significant Importance (ROSI)

Following approval from the funding body that negotiations with the funding body council was advised prior to Christmas that an additional \$19.2M would now be provided for the project making the value \$30 Million.

Now that the funding has been increased, the whole project scope will now be delivered to upgrade the full 16 kilometers of road within Cabonne Council area.

An external Project Manager has been engaged to assist with planning and delivery of the project. Council staff are assisting in determining the most appropriate means of programming these works.

Some initial works to clear a line for Telstra cable relocation has been completed and now awaiting Telstra to undertake the relocation.

The revised timeframe for these works is that they be completed by December 2026.

Page 9

Disaster Recovery Works (DRFA)

Following approval to undertake works under the DRFA program, works have now been completed on Gundong Road, Obley Road, Renshaw McGirr Way, Warranderry, Nangar, Euchareena, Banjo Paterson Way, Eurimbula and some on Belgravia Road

While the majority of this work was undertaken by a contractor, approved works on council's gravel road network is being undertaken by council's internal work crews. Some of this gravel road maintenance was recently commenced in January on Kangaroobie and Fanning Roads.

As the program has progressed, council was also able to undertake some of the heavy patching works on some local bitumen roads, which are included in the above list.

Council's bitumen spraying contractor is also applying bitumen reseals to numerous patches on roads where the bitumen surface had deteriorated and had been approved under the DRFA works.

Further works on the program are still waiting approval from TfNSW

THIS IS PAGE NO 9 OF THE GENERAL MANAGER'S REPORT ON MATTERS FOR DETERMINATION TO THE INFRASTRUCTURE (TRANSPORT) COMMITTEE OF CABONNE COUNCIL TO BE HELD ON 8 APRIL, 2025

Page 10

THIS IS PAGE NO 10 OF THE GENERAL MANAGER'S REPORT ON MATTERS FOR DETERMINATION TO THE INFRASTRUCTURE (TRANSPORT) COMMITTEE OF CABONNE COUNCIL TO BE HELD ON 8 APRIL, 2025

Page 11

Photos of heavy patching works on Warraderry Way as they progressed from stabilising to sealing

Bitumen Roads

Council's sealing contractor has completed sealing of prioritized town streets in Cudal, Manildra, Molong and Canowindra.

Resurfacing of Bank Street, Molong, has also been completed, which involved a micro seal. Further asphalting works at the Gidley/Bank Street intersection were scheduled for Sunday 6th April.

TfNSW has undertaken a pavement replacement of Keiwa Street through Manildra which involved the center pavement between the edge lines. Council was able to 'piggyback' off this work and arrange to have several intersections and a section of shoulder near the bowling club asphalted while the contractor was onsite.

Pavement rehabilitation has been completed on two sections of Four Mile Creek Road between Cadia Road and Giles Road. This now links up a previous

Page 12

patch done in September 2023 and basically gives a 1km section of new pavement.

Pavement rehabilitation has recently been complted on Banjo Paterson Way, near Bicton Lane. This involved a 900m section of road with full width pavement rehabilitaion being undertaken. Linemarking of the project will occur during April.

Work on Nangar Road near Trajere Road was being prepared for sealing the week of 31st March and was expected to be completed by 4th April. This work involved the full width pavement rehabilitation for 2.5km length.

Future Works.

Moving into the last quarter of 2024/25, council works will be on:

- Nangar (various failed sections)- currently underway
- Obley Road- currently underway, and.
- Casuarina Road repairing of various failed sections which commenced 31st March.

All these projects will involve full-width pavement rehabilitation.

RTRF Betterment works

Council was advised in early December, that we were successful in gaining funding under the RTRF (Betterment) program. This included \$3.78M for the replacement of 64 culverts and causeways across the LGA area and a further \$3.62M allocated to the following bridges.

- Edward Street, Cudal- access to Dean Park
- Baghdad Bridge, Cargo
- Ophir Road, 4th crossing
- Manildra Footbridge, Keiwa Street

Planning for these projects is underway with construction to commence in the second half of 2025. The finalisation of these projects is due by December 2026.

Currently staff are investigating designs and potentially looking at engaging contractors to undertake works in the new financial year. An external consultant has also been engaged to assist with planning and preparation of contractual documents for the bridges.

ITEM 5 - PROPOSED 2025/26 TRANSPORT BUDGET

REPORT IN BRIEF

Page 13

Reason For Report	To consider the draft 2025/26 Transport Budget			
Policy Implications	Nil			
Budget Implications	Proposed budget for 2025/26 financial year.			
IPR Linkage	2.2.1.2a - Deliver Council's capital works program.			
Annexures	es Nil			
File Number	\OFFICIAL RECORDS LIBRARY\ROADS and			
	BRIDGES\MEETINGS\OPERATIONS MEETINGS -			
	1829893			

RECOMMENDATION

THAT the draft 2025/26 Transport budget be noted.

DEPARTMENT LEADER - TRANSPORT INFRASTRUCTURE REPORT

The 2025/26 Transport budget has been prepared and present for consideration.

The following projects have been submitted:

- \$1.2M Urban and local road resealing program to be made up of prioritised bitumen seals across the LGA. It is anticipated this will be based on the priorities identified from the 2024 Road Asset revaluation and condition assessment report
- Footpath construction behind the Molong Pool this is a replacement of the current path which is in poor condition.
- Regional Road Heavy patching on Nangar Road from Trajere Rd to Meadowbank Rd.
- Regional Road construction Cargo Road from Church St to Fisher St and in the township from Belmore St to Hicks St.
- Regional Road construction Banjo Paterson Way Brookvale area near Cumnock.
- Roads to Recovery Program of \$1.2M to be allocated to gravel road resheeting on the following roads:
 - South Area Randall St, Cable St, Mackays Creek Rd, Waterhole Creek Rd, Collett St and Jacks Leap Road
 - North Area Back Saleyards Rd, Goodrich Road, Gullendah Road, Heads Road and Thomas Road.

Page 14

 East Area - Long Point Road, Bulgas Road, Watts Road, Underwood Road and Caldwell Road.

Several projects were nominated but on hold pending external decisions, being:

- Yellowbox Road (Boree St) from railway to 100kh sign- pending approval for development on Carlisle St Manildra and potential requirements for works on Boree Street.
- Several footpath projects in Molong, Cudal and Canowindra, which are subject to grant funding approvals.

Below figures represent the proposed capital works program for both the Transport and Fleet and Depots functional areas.

DESCRIPTION OF WORKS	BUDGET (\$)
TRANSPORT INFRASTRUCTURE	
Local Road Construction - Reseal Program	1,200,000
Local Road Construction - Heavy Patching	421,000
Local Road Construction - Replacing Culverts	380,000
Footpath Construction	100,000
Regional Road Construction - Heavy Patch & Reseal Program	800,000
Banjo Patterson Way Strengthening	100,000
Roads to Recovery 2025/30	2,200,000

ITEM 6 - DRAFT ROADS MANAGEMENT POLICY

REPORT IN BRIEF

Reason For Report	To provide information to the Infrastructure				
	(Transport) Committee on the draft Roads				
	Management Policy.				
Policy Implications	New policy in draft.				
Budget Implications	Nil				
IPR Linkage	2.2.1.1a - Undertake road maintenance and routine				
_	activities.				
Annexures	1. 2024 Road Register 🖟				
	2. Draft - Roads Management Policy				
File Number	\OFFICIAL RECORDS LIBRARY\ROADS and				
	BRIDGES\MEETINGS\OPERATIONS MEETINGS -				
	1829897				

RECOMMENDATION

THAT the draft Roads Management Policy be noted and discussed by the Infrastructure (Transport) Committee.

DEPARTMENT LEADER - TRANSPORT INFRASTRUCTURE REPORT

Cabonne Council is responsible for the management of over \$437M in transport assets across a road network of 1,993km. To ensure that the services provided are efficient, effective and sustainable, it is essential that council defines the extent of the road network to which it manages.

Page 16

A Roads Management Policy provides direction and guidance to the extent of road administration and maintenance undertaken for the Cabonne Council road network as prescribed within the Roads Act 1993.

The objectives of this policy are to define:

- a) Extent of the road network managed by council
- b) Under its authority, the administration and management of public roads
- c) Framework for determining the expansion of road network managed by council

A key focus of the policy is the keeping of a Cabonne Council Roads Register. This roads register is kept to define the extent of road network that council actively maintains and manages. The road register will contain information which can be utilised to determine the full length of roads maintained and will provide the basis for determining future road works including operational, maintenance and capital upgrades.

Roads that are not contained within the road register are not actively managed or maintained by council and will not be actively managed or funded.

An agreement may be entered into with private parties to undertake work within the road reserve, at the cost of the private parties. This includes the provision of driveway access to properties which do not have direct access to the local road network.

A party may request council to include a road within the road register by making an application in writing to council. Requests will be considered against the following criteria:

- Number of residents per kilometre of road
- Estimated traffic volume
- General public use, including recreation and emergency use
- Lifecycle cost of maintaining the asset
- Overall public interest for council to maintain the road
- Other relevant information

Cabonne Council may request the applicant to upgrade the road in accordance with council current standards for the proposed road classification.

This draft policy has been presented to the Roads Advisory Committee previously with some discrepancies were identified. These were taken back to the council's asset team for clarification and justification. This information has

Page 17

also been recently reassessed through the 2024 Road Revaluation and Condition Assessment report. Subsequently the updated roads register has been circulated to the committee for comment.

Consideration of the policy has not yet been undertaken by the committee.

Should further changes be identified, then these can be rectified, and the Roads Register can be re-presented to the next Roads Advisory committee for recommendation to council. At this stage it is expected that a meeting of the Roads Advisory Committee will be called for August 2025.

ROADS MANAGEMENT POLICY

STRATEGIC POLICY

Responsible Department:	Cabonne Infrastructure
Responsible Section:	Transport Infrastructure
Responsible Officer:	Department Leader Transport Infrastructure

Objective

Council is required to define the limits of management and administration it will undertake on the road network to which it is the declared authority. The objectives of this policy are to define:

- a) Extent of the road network managed by Council
- b) Under its authority, the administration and management of public roads
- c) Framework for determining the expansion of road network managed by Council

Introduction

Cabonne Council is responsible for the management of over \$437M in transport assets across a road network of 1,993km. To ensure that the services provided are efficient, effective and sustainable, it is essential that Council defines the extent of the road network to which it manages.

This Roads Management Policy provides direction and guidance to the extent of road administration and maintenance undertaken for the Cabonne Council Road network.

This policy applies to administration and management of public roads under the declared authority of Cabonne Council as prescribed within the Roads Act 1993.

Application of this policy does not extend to public or private parties with authority to operate and maintain utility and telecommunications services in accordance with State and Federal legislation.

Policy

Extent of Road Network

Cabonne Council will undertake management of roads to which it has been designated as the Roads Authority in accordance with the Roads Act 1993. A road register will be kept that identifies those roads that Council will maintain.

1 | Page

The road register will contain information which can be utilised to determine the full length of roads maintained and will provide the basis for determining future road works including operational, maintenance and capital upgrades.

Management of Road Network

Cabonne Council will provide a maintained road network within the limit of its available resources, as determined in Council's annual Operational Plan and Budget, Long Term Financial Plan, Strategic and Transport Asset Management Plans.

Council will retain a register of customer service requests that relate to the road network, and prioritise works on the basis of inspection and determination of the prevailing risk of the issue.

Unmaintained Roads

Council may hold authority of a road reserve that does not have a recognised road within its bounds according to the road register. Council will not actively manage or fund works to roads which are not within this road register.

An agreement may be entered into with private parties to undertake work within the road reserve, at the cost of the private parties. This includes the provision of driveway access to properties which do not have direct access to the local road network.

Requests for Additions to Road Register

A request to add a road to the road register can be made to Council.

Requests will be considered against the following criteria:

- Number of residents per kilometre of road
- Estimated traffic volume
- General public use, including recreation and emergency use
- Lifecycle cost of maintaining the asset
- Overall public interest for Council to maintain the road
- Other relevant information

Cabonne Council may request the applicant to upgrade the road in accordance with Council current standards for the proposed road classification.

Consideration of the same merits will be undertaken for request to Council to transfer roads to its responsibility that are under the delegated authority of other state agencies.

Responsibilities (Optional)

General Manager: responsible for leading employees in their understanding of this policy and to monitor its relationships with other areas of Council activity

2 | Page

Deputy General Managers: responsible for leading employees in their understanding of this policy and to monitor its relationships with other areas of Council activity

Department Leaders: responsible for communicating, implementing and complying with this policy and develop procedure framework to facilitate the policies intention

Employees: responsible for implementing and complying with the policy and consider the implications for related projects and programs

Mayor and Councillors: responsible for leading discussions with the community of this policy and its intent, and receiving regular updates on its implementation

Definitions (Optional)

Roads Authority: a public or local authority designated under the Roads Act 1993 to execute the specified provisions of the Act

Maintained Road: a road that is included in Council's Road Register and is maintained by Council

Unmaintained Road: road that rests within a gazetted road reserve under the authority of Cabonne Council, however is not included within Council's road register. Also known as a paper road

Road Reserve: area that is reserved that enables the construction of roads facilities for public travel. Land is referred to as public road under the Roads Act 1993, but does not necessarily refer as a physical road
