DEPUTY GENERAL MANAGER - CABONNE INFRASTRUCTURE'S REPORT

The following report provides an update on major projects up to the end of September 2023.

Four Mile Creek Road

The construction tender was awarded to Keeden Contracting Pty Ltd in July, receiving endorsement from both Council and TfNSW. Work commenced on 04 September 2023 with a construction period of ten (10) weeks.

Cargo Road – (2.5km from Barragan Road)

1. Tree vegetation work has been completed
2. Heavy Patching has been completed.
3. Linemarking still to be completed.

Cargo Road – East End

Tree and veg clearing to commence 07 August 2023.

The work will be completed in 2 stages:

1. Stage 1 – Orange/Cabonne boundary to Boree Lane – Tree Veg and Drainage - Work Completed.
2. Stage 2 – Boree Lane to Greening Lane. – Tree Veg - Work Completed. Drainage – approx. 25% completed. Work placed on hold due to resources being required at Cargo Road – Coffee Hill site.

Cargo Road – Before Work was undertaken

Cargo Road - Completed

Cargo Road Rehab (Coffee Hill section)

- Work commenced 25 September 2023.
- Excavation of existing pavement is scheduled to begin on 03 October 2023.
- Clean road shoulders, table drains and behind guardrails/safety barriers to correct water pooling issues – due to be completed 29 September 2023.
- Widen shoulder in Orange bound lane to create a safer entrance into 2136 Cargo Road – due to be completed 29 September 2023.

GENERAL MANAGER'S REPORT ON MATTERS FOR NOTATION SUBMITTED TO THE INFRASTRUCTURE (TRANSPORT) COMMITTEE TO BE HELD ON TUESDAY 10 OCTOBER, 2023

Cargo Road – December 2022

Unscheduled Works – approximately 1km of Bowan Park Road (Cargo Road end) has had tree vegetation works carried out (mulching non-native shrubs

and trees up to 100mm in diameter) by the same contracting crews that were working on Cargo Road. The Contractors are scheduled to return to complete the balance of the nominated 4.6km.

Canomodine Lane Bridge

The project status is on track, with the preparation of a design and construction tender underway. It is expected that the tender will be awarded in November 2023. The project completion is expected within 24/25 FY.

Nyrang Creek Bridge

The project status is on track, with the preparation of a design and construction tender underway. It is expected that the tender will be awarded in November 2023. Council is seeking betterment on the design of the bridge, due to the large safety risks associated with it like for like design. The project completion is expected within 24/25 FY.

Pinecliffe Road Causeway

The road remains closed due to damage caused by the ARGN 1034 natural disaster event. Bridge Knowledge Pty Ltd have been commissioned to prepare the options report to secure grant funding for the rehabilitation of the causeway.

Longs Corner Road (Stage 2)

- Work commenced September 2023
- Due to be completed by November 2023

Washpen Creek Bridge

The design and construction tender was awarded to Central Industries Pty Ltd at the August Council meeting. A period of three (3) months have been allowed for to complete the detailed design, with commencement of on-site works in early 2024.

Peak Hill Road Upgrade – Roads of Significant Importance (ROSI)

The Peak Hill Road upgrade project is on hold. The federal government is currently reviewing the continuation of the grants funding program, ROSI. An outcome is expected by November 2023 for the continuation of the project.
