Monthly Cabonne Council News

12 Month Project Delivery Update

Cabonne Council has been successful in delivering the following projects to the community over the past 12 months:

- Council crews have undertaken almost \$30 million in road repairs following the November 22 floods
- Installation of almost 2.5km of footpath across all of the towns and villages
- Completion of the Cabonne Community Centre
- Refurbishment of the Eugowra Medical Centre and Self-Care Units
- Completion of the Molong Town Centre Activation Plan
- The construction of the Tom Clyburn Grandstand at the Canowindra Sports Oval
- The construction of the Jack Huxley Oval Changerooms in Manildra
- The completion of the Yeoval Recreational Ground Stage 1 refurbishment
- Installation of new pool fencing at Cudal, Cumnock, Molong, Eugowra, Yeoval and Canowindra
- Nyrang Creek Bridge due to be complete by the end of June 2024

Council is currently working through its program of works for the 24/25 financial year, and further updates on these projects will be provided to the community shortly.

Next Ordinary Council Meeting

The June Ordinary Council meeting will be held on Tuesday, 25 June 2024.

Cabonne Council Newsletters

You can now subscribe to receive Council's e-newsletters!

Cabonne Catchup - for all residents, this monthly e-newsletter gets delivered straight to your inbox, featuring all up-to-date information regarding Council projects, events, programs and the latest news.

Cabonne Collective - quarterly e-newsletter for business owners who live and manage businesses within the Cabonne LGA. Featuring information regarding grant opportunities, networking events, webinars, general business resources and more.

Mandagery Creek Bridge Replacement, Manildra Update

The latest phase of construction involved a "stitch pour," where concrete was used to connect the upstream and downstream halves of the bridge, effectively linking them into a single structure.

The final touches will soon be underway, which involves applying asphalt surfacing, line marking and installing a dedicated pedestrian access path, marking the completion of the overall project.
