Cabonne Recovery Plan & Survey

Council is in the process of developing a Cabonne Recovery Plan.

The Plan will outline the measures the community and Council are taking in response to the flood event, estimated costs to repair critical infrastructure throughout Cabonne, as well as the cost to local homes, businesses, the environment, and the wellbeing of our communities.

The Plan also looks to the future with plans to restart our regional economy and build back better, so our community is more resilient to future natural disasters.

Residents in flood impacted areas will receive a survey via mail and/or online which will ask about key priorities as part of the recovery. The feedback from the survey will contribute to the Recovery Plan.

Council will also be conducting a series of community information sessions in early June 2023 to share the Recovery Plan, whilst the Plan is open for public submission. All impacted and interested community members will be welcome to attend.

Council will formally adopt the Cabonne Recovery Plan at its June Council meeting.

Please note this survey is NOT a Flood Plain Management survey. Additional surveys will undertaken to assess this in coming months.

Major Projects Update - Molong

The Molong Town Centre Activation Project works will commence on Saturday, 15 April 2023 and run until Friday, 16 June 2023.

More information on this project, and other major projects can be found at: www.cabonne.nsw.gov.au/Major-Projects

Volunteers Needed

Cabonne Home Support (CHS) and Cabonne Community Transport deliver essential services to vulnerable and need of volunteers! For more information, contact CHS on 63441199 or Community Transport on 63923233.

Youth of the Month

We're seeking nominations for the Cabonne Youth of the Month award. The award is designed to recognise young achievers (school age up to 24 years old) who are important to the future of Cabonne. You can read more details and nominate someone via Council's website.
